# Classen Roll of Honor

It is with pride that Classen High School has prepared a Roll of Honor of former students and graduates who are now in the Armed Services of the United States. A committee of the Parent-Teacher Association, under the chairmanship of Mrs. Ralph Stevens, assisted by the Journalism classes and partially financed by the Blue Jacket pep club, has compiled the list. # Dedication

At this writing, more and more good news is coming in from the war fronts of the world, more news of the death struggle in which the forces of freedom are engaged. But with the good news come the lists of wounded, missing, prisoners of war, and dead.

In this fourth year of World War II, we have found it only fitting that this yearbook should be dedicated, as we are dedicated, to the memory of those who will not return, and in honor of those who will.

It is our fervent hope that we have provided for them a fitting memorial, and for you, friend reader, a book which will always hold tender memories. So with this dedication, we present to them and to you . . . the Orbit for 1945.

Oklahoma City

DEAR CLASSEN HIGH SCHOOL

Dear Classen High School we love you,
We'll always be true to the Gold and the Blue.

No cares can ever o'er take us
If to our Classen High School
We'll always be true.

Youth and America are synonymous, for the dreams of youth have become the sinews of America. The strength and vigor of our nation is borne on the faith and expectancy that sing from the hearts of her young people.

A breath of a song wings through these brief pages—a song filled with youthful joyousness and faith in the promises of the future.

Let, then, our song be as full as are the hearts that inspire it. Let us realize that, "No cares can ever o'er take us" . . . as long as our spirits are tuned to a hopeful key. Ever let us cling to that buoyancy which, itself, is the brave spirit of an America that can never die.

# SUPERINTENDENT

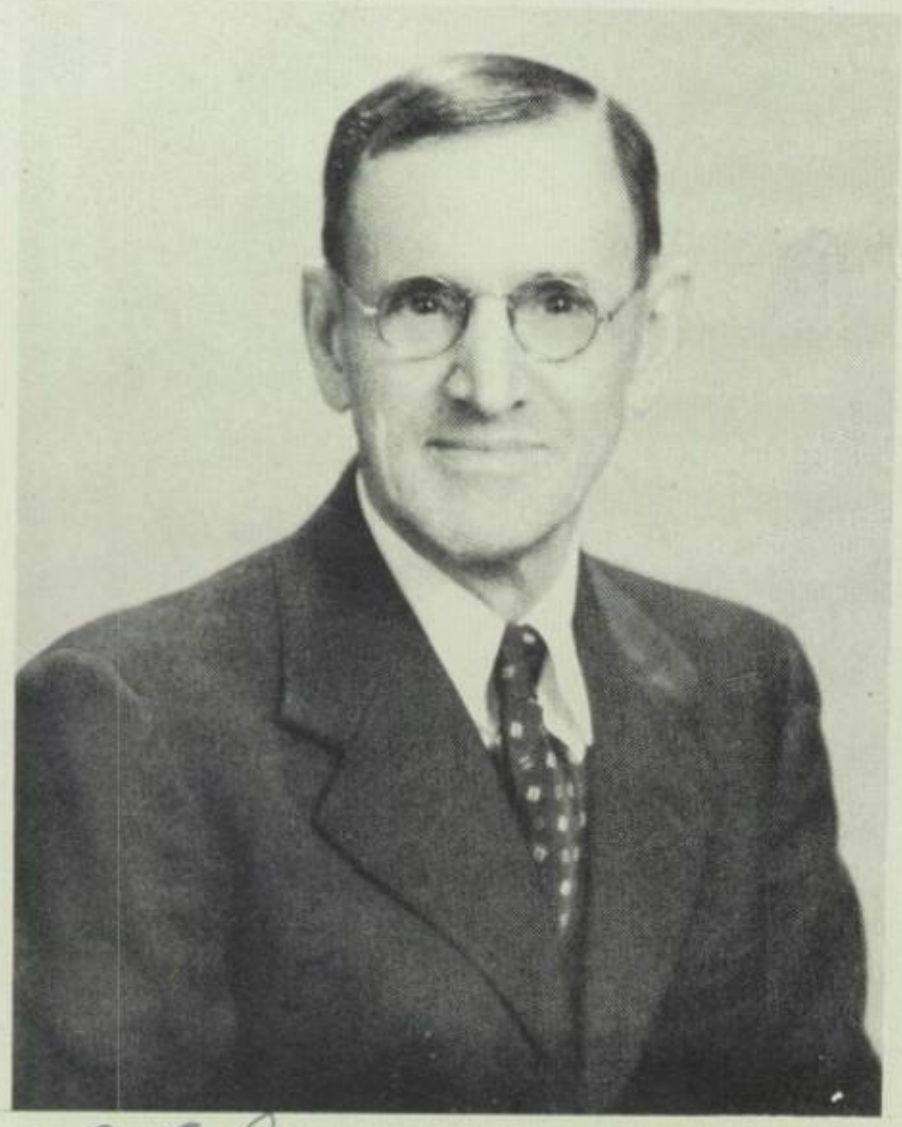
We introduce first, the man who is at the head of our Oklahoma City school system, Superintendent Dr. H. B. Bruner. Recently he has been appointed a member of the 1947 Year Book Commission of the American Association of School Administrators, a department of the National Education Association.

# SCHOOL BOARD OFFICIALS

Elected by the people of the various wards, we have a group of able business men serving on the school board. Standing are James A. Sinex and Edd L. Hisel. Insets: Ira Williams, the new board member, and N. L. George, the clerk-business manager.

## Principal

Classen has been fortunate in having Mr. William Taylor serve as its principal for the past two years. Gracious and kind, yet gravely intent upon making Classen one of the great high schools in the Southwest, Mr. Taylor keeps a steadying hand upon all that's doing here among us. To him we give full measure of high praise.



C. E. Grady

## Vice-Principal

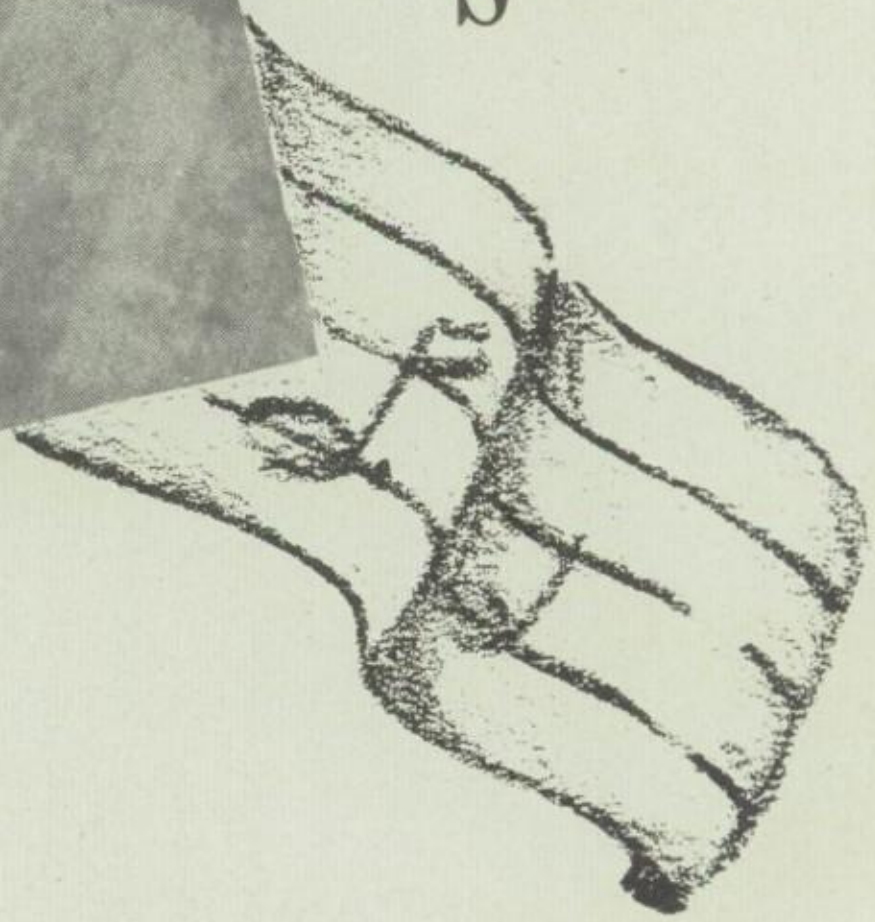
# ACTIVITIES



Whenever activities slacken at Classen, someone thinks of a new title. Campaign managers oil up their vocal cords and Classen has a new queen of something or other. But even excluding the sundry queen races, Classen has a variety of activities: the all-school mixers, school plays, such as Janie and Green Grow the Lilacs, patriotic duties, the junior-senior prom, and football and basketball games.

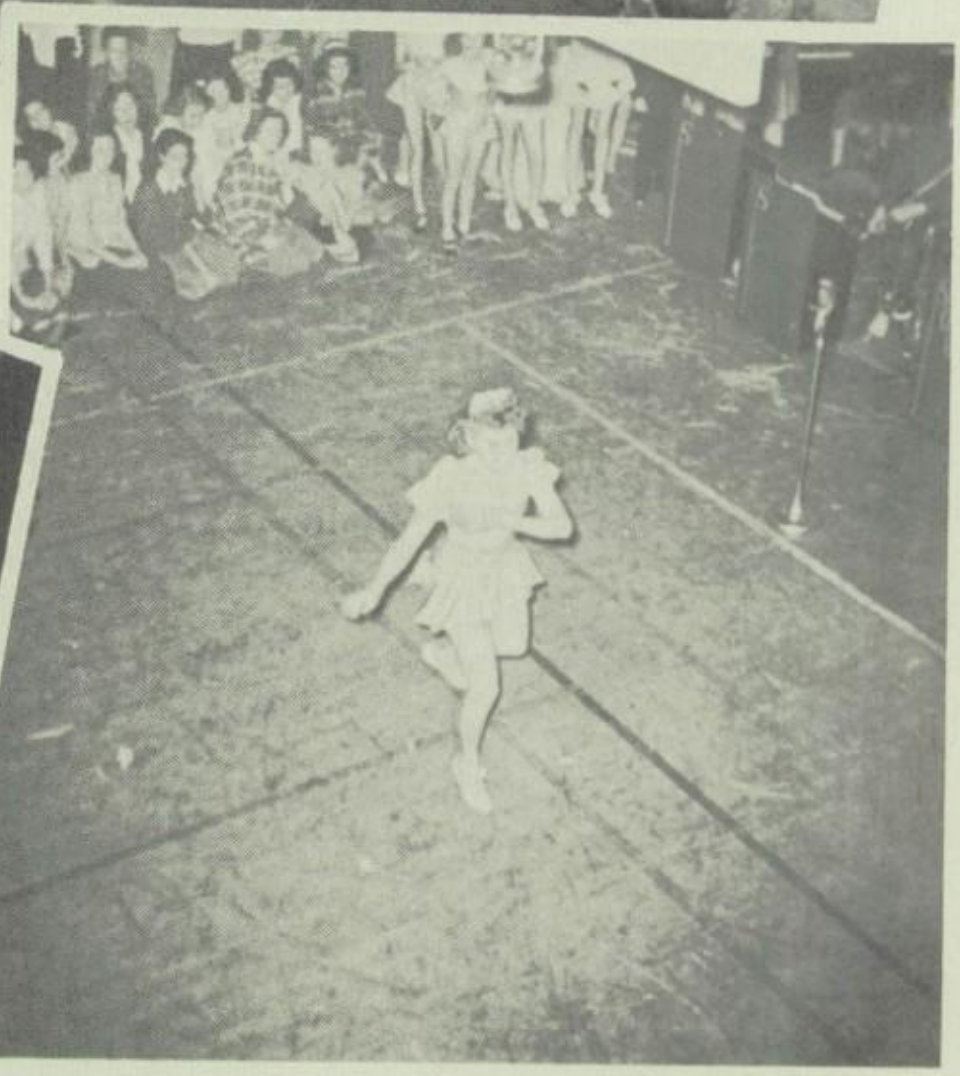
Hey fellas! Don't you know 4's a crowd? Guess it isn't in this case, cause it looks like fun.

All we need now are Mammy and Pappy Yokum to make this "Mixer" a bit of "ole Dogpatch."

Why so bored, Charlie? Woody seems to be in high spirits.

# *and prom-enade around.*

Sweet and low, and slightly blue! The Sooners helped put over the "Mixers" with a bang!



A big feature of the plaid "Mixer" was the election of the plaid king and queen. Jimmy Woods, the king, clutches the prize, a plaid hanky, while Jo Drew, the queen, beams at his side, awaiting hers.

No wonder there was such a turn out at the "Mixers" with this kind of entertainment.

# *Wartime Youth . . .*

Jean Dubois, Ted Clemens and Jeannee Vahlberg are doing their bit by filling Red Cross boxes.

These nurses' aides are doing the kind of job that any girl may envy. They carry meal trays, deliver mail, and perform other necessary jobs in the local hospitals.

They were "kings for a day" and who can ask for anything more? The student body elected them to hold various positions in the school from custodian to librarian. Left to right are: Gerald Lovell, Charles Brown, Bob Fudge, Jim Cagle, Merle Harrel, Jimmy Woods, and Jean Porta.

# . . . in the Limelight.

Constantine Palassis went all out in the paper drive and came out ahead of everyone.

Classen's presidential election won national recognition besides providing experience in government for the youth of Classen.

# It's All

These nine art students are the proud owners of gold achievement keys. These keys were given to all winners in the Interscholastic Regional Art Contest, sponsored by John A. Brown. Standing are Gladys Stiles, Betty Sue Neal, Jeannee Vahlberg, Louise Porch, Virginia Stone, and Marianne Collins. Seated are Dean Rawlings, Shirley Wright, and Beverly Williams.

The art of debating was glorified here at Classen by the splendid work which Charles Brown, Howard Friedman, Bob Fudge and Jim Cagle did. Their coach, Mr. Grady, has just cause to be pleased.

One of the big events in the school this spring was "Janie," presented by the Little Theatre. Bill Hamilton is having trouble with "little sister" Julia Collingsworth while "Janie," Greta Sue Gulihur stands by in consternation.

# *Art . . .*

"Green Grow the Lilacs" demonstrated the acting ability of our "theatre artists." Bob Blakeney, Jo Drew, Lloyd Boyles and Greta Sue Gulihur gave Classen a taste of Oklahoma "way back when . . ."

Back to "Janie" again. Bob Fudge is torn between two loves, Joan Castle and Greta Sue Gulihur. Meredith Golden is having a good time being the referee.

Above is another shot from "Green Grow the Lilacs." Sara McArthur gives the organ a work-out while Helen Wright watches intently.

# The Classen Life

This year's Classen Life Staff has worked long and hard to bring to the student body an enjoyable, informative newspaper. The O. K. Printing Company has become almost a second home to the more diligent members of the staff who seem to spend most of their time there during "dead-line" week. Kathryn Yowell served as editor-in-chief of the paper both semesters. Dorris Johnson and Patty Richardson acted as associates the first semester and Betty Everidge, Mary Woods and Bob Robinson for the second.

To the left is the journalism class and below are Bob Robinson, Betty Everidge, Kathryn Yowell, Melville Connor and Mary Woods.

Serving as the guiding power of this very important school publication is Eleanor Ruth Snow and with her is her co-worker Betty Sue Neal.

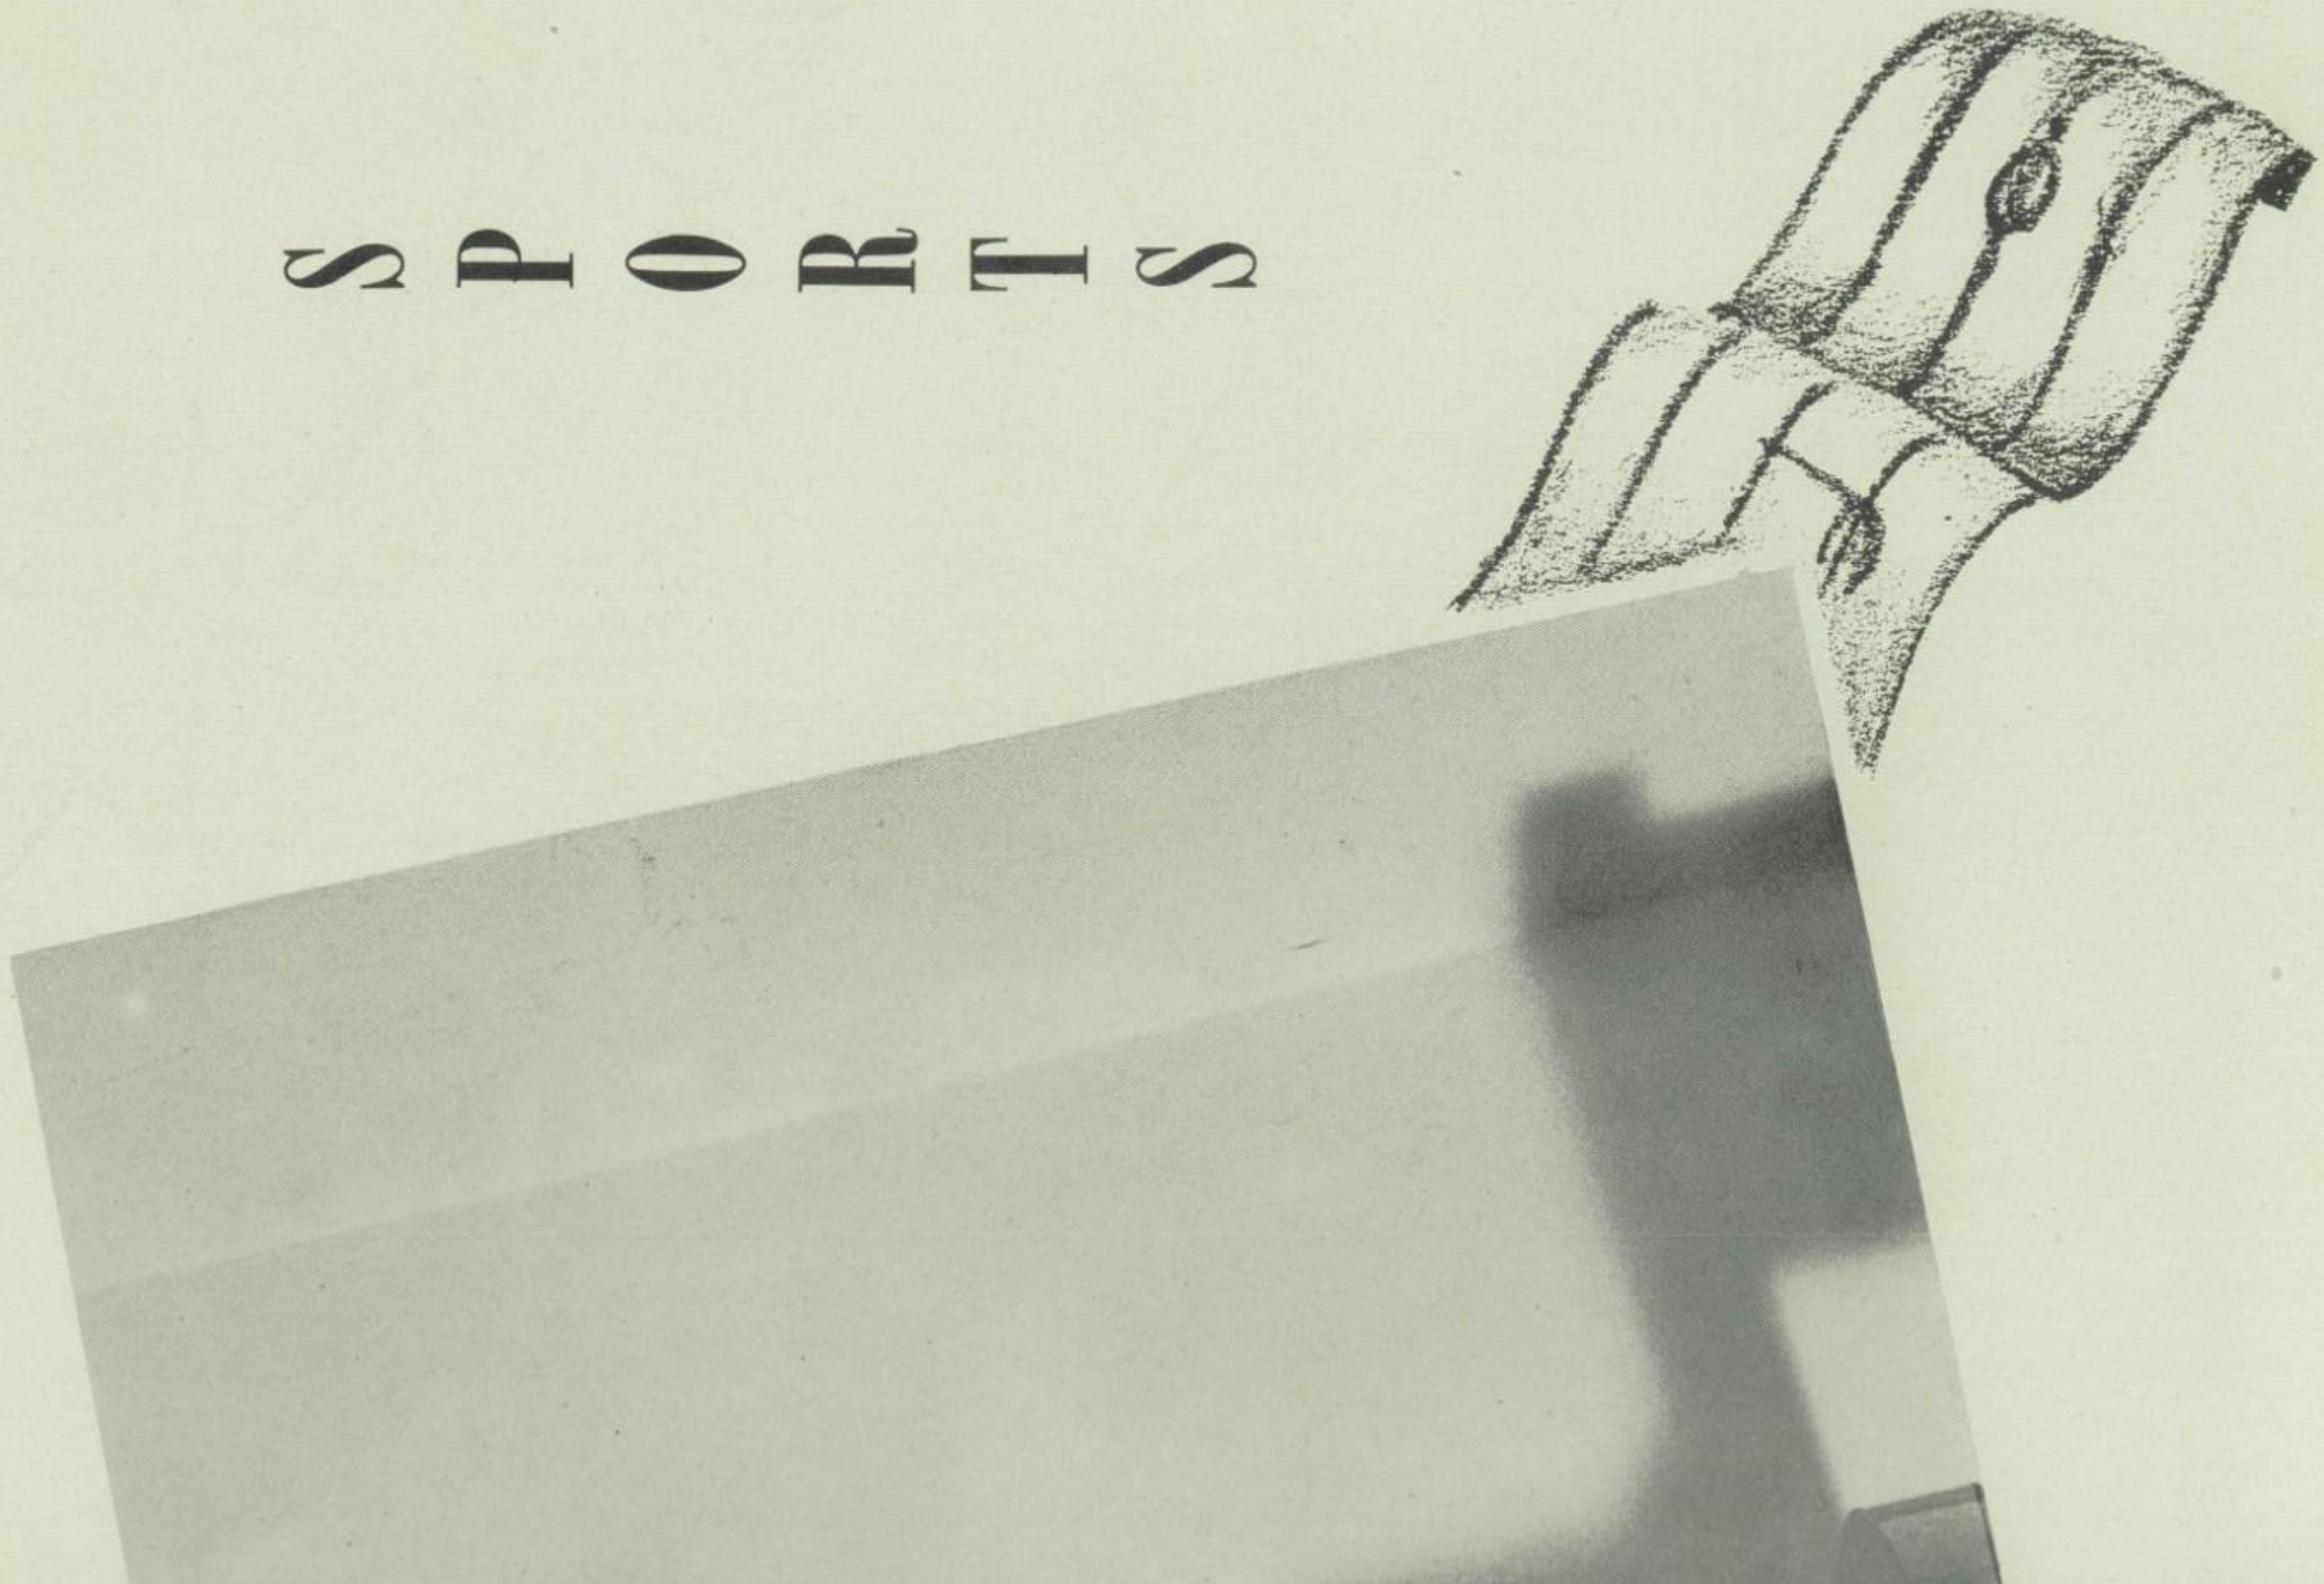
# SPORTS



# Foot

Packed with "thrills" and "chills" and complete with a dramatic happy ending—that was the 1944 football season in one phrase. Duncan fell easily, as did Lawton. Capitol Hill put up a tough fight, but was finally beaten, and Northeast was smothered in the following game. The Central game ended in a 6-6 tie, but the Comets scored 2 penetrations to the Card's 1, eliminating them from the playoffs. Tulsa Webster was left far behind, Enid was finally nosed out despite a veritable cloudburst, and Norman, crippled by the loss of Jack Bumgarner and Bill Remy, was swamped. Henryetta though highly rated at the first of the season, was a pushover.

Then came the Shawnee Wolves, and the Comets, blown higher and higher by a series of phenomenal victories, came to earth with a truly sickening thud as the Wolves closed in for a 13-7 victory.

Nevertheless, the Comets still represented district 3A in the state playoffs. The first game was with Ardmore, and the Comets rallied in the second half to swing them past the Mighty Mites, and against the Altus Bulldogs. Here the Boulevard Boys came from 12 points behind in the first quarter to win the game 19-12. Now only Tulsa Central stood in the way of the state championship.

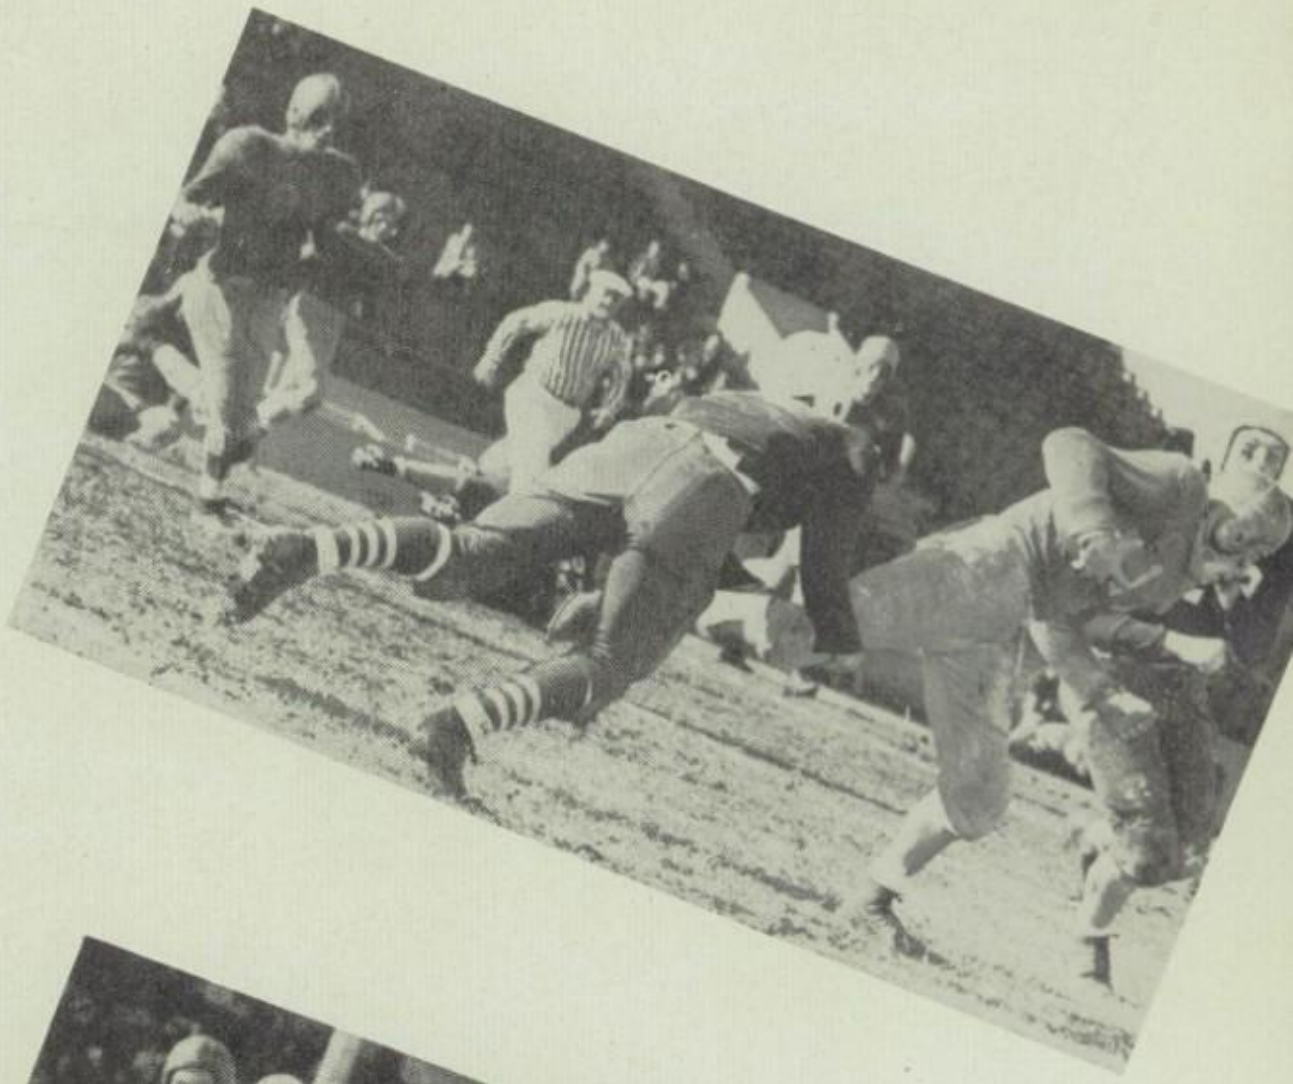
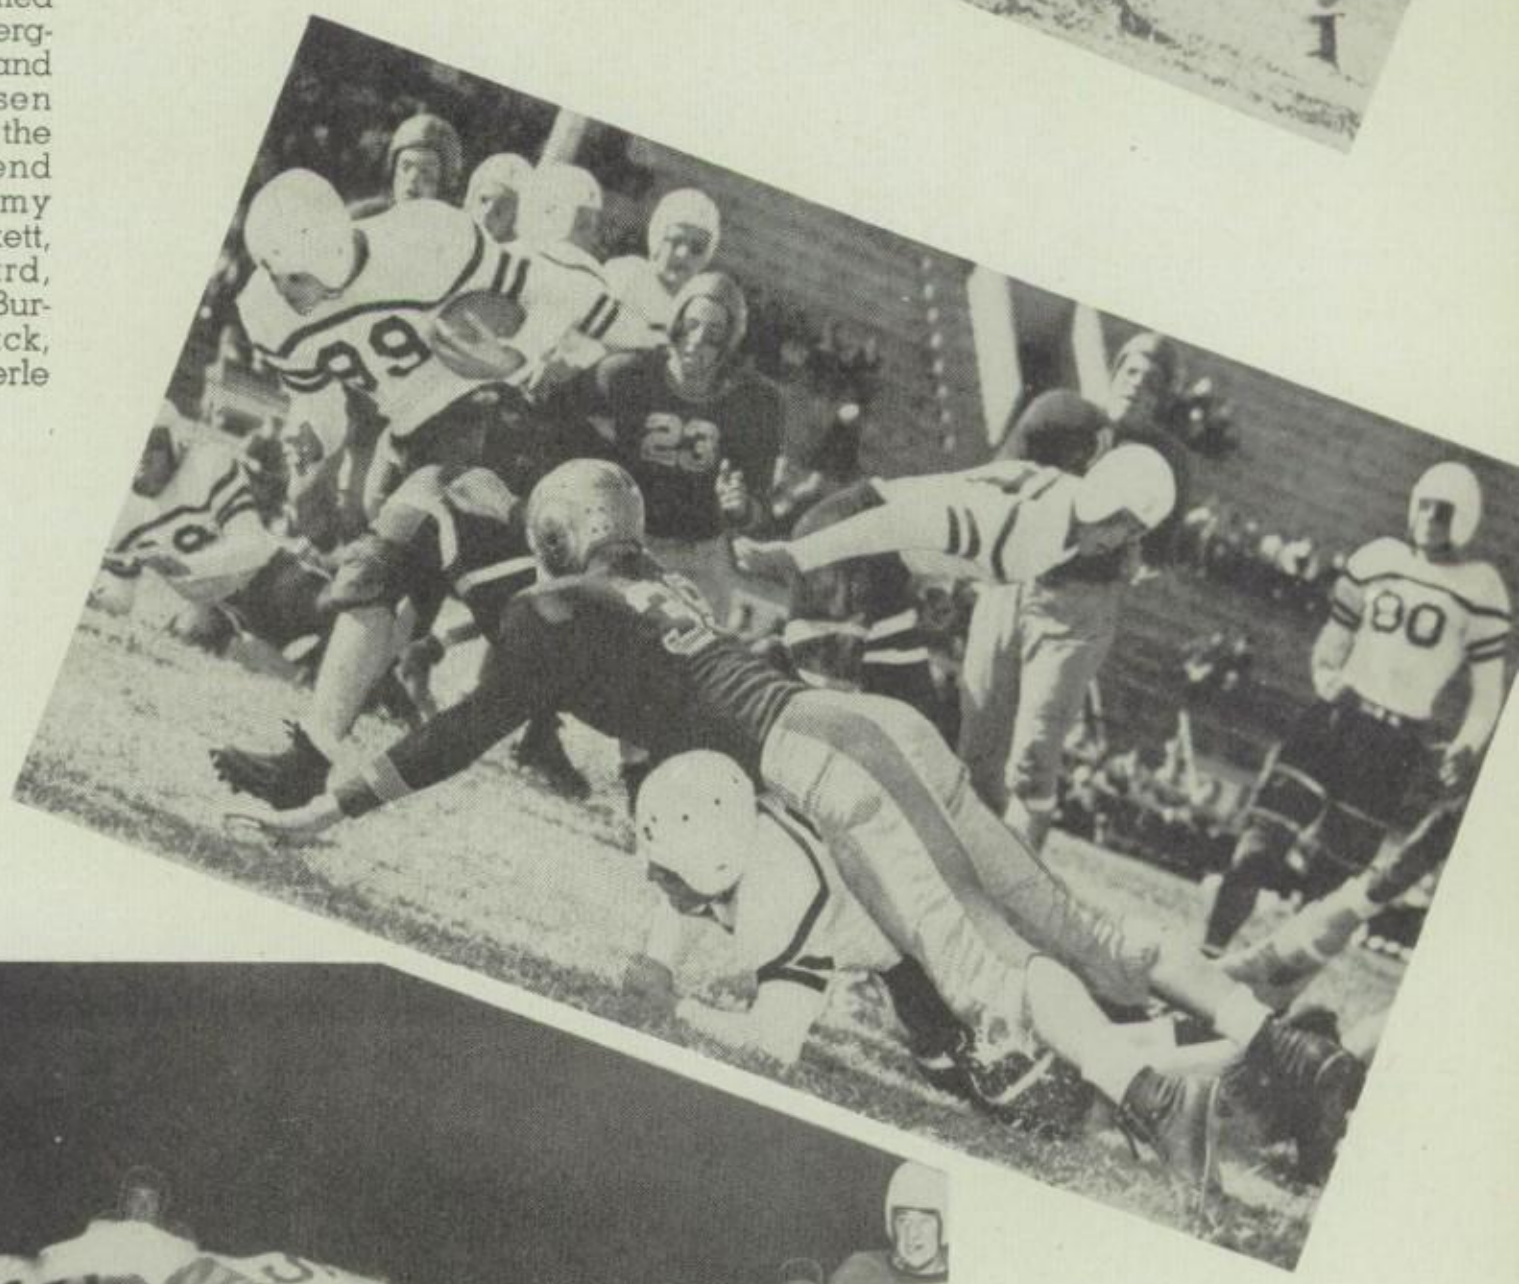
# Ball

From the first the game was evenly matched. The Comets were hard pressed to hold a 6 point lead, and finally Tulsa Central went over for the counter that put them ahead on penetrations. But the Comets, not to be outdone, scored once, then again, and once more to bring the final score to 26-6 as Classen once again proved its position as the greatest all-around school in the state.

The 1944 season was the most successful Classen has ever had. Coach Higbie, in his 13th year at Classen as football coach, had on the squad such future "greats" as Charles Shaw, All-State Guard, Jim Owens, All-State End, and with these two on the All-City Team were Gerald Lovell, the famed Fighting Fullback, DeRoy Bergman, the Tremendous Tackle, and Alan Greenberg, the Classen Speedboy. Also outstanding on the team were Eugene Ogden, end and placekick specialist, Tommy Stephens, tackle, Woody Barkett, center, George McKean, guard, Ronald Jackson, tackle, Sam Burnell, end, Jim Hill, quarterback, Tom Blaney, wingback, and Merle Harrel, wingback.





# Football Lettermen

The 1944 football season went off with a great big bang! Yes, sir, we rolled right on down the field to win State Championship and you can bet your boots we're proud! Sure Shawnee was a big disappointment but it only took a little of the starch out of us and gave us all the more will to win the remaining battles —which we did with flying colors! To all you fellows who played so wonderfully we'd like to give a big vote of thanks and one last yell for a glorious season.

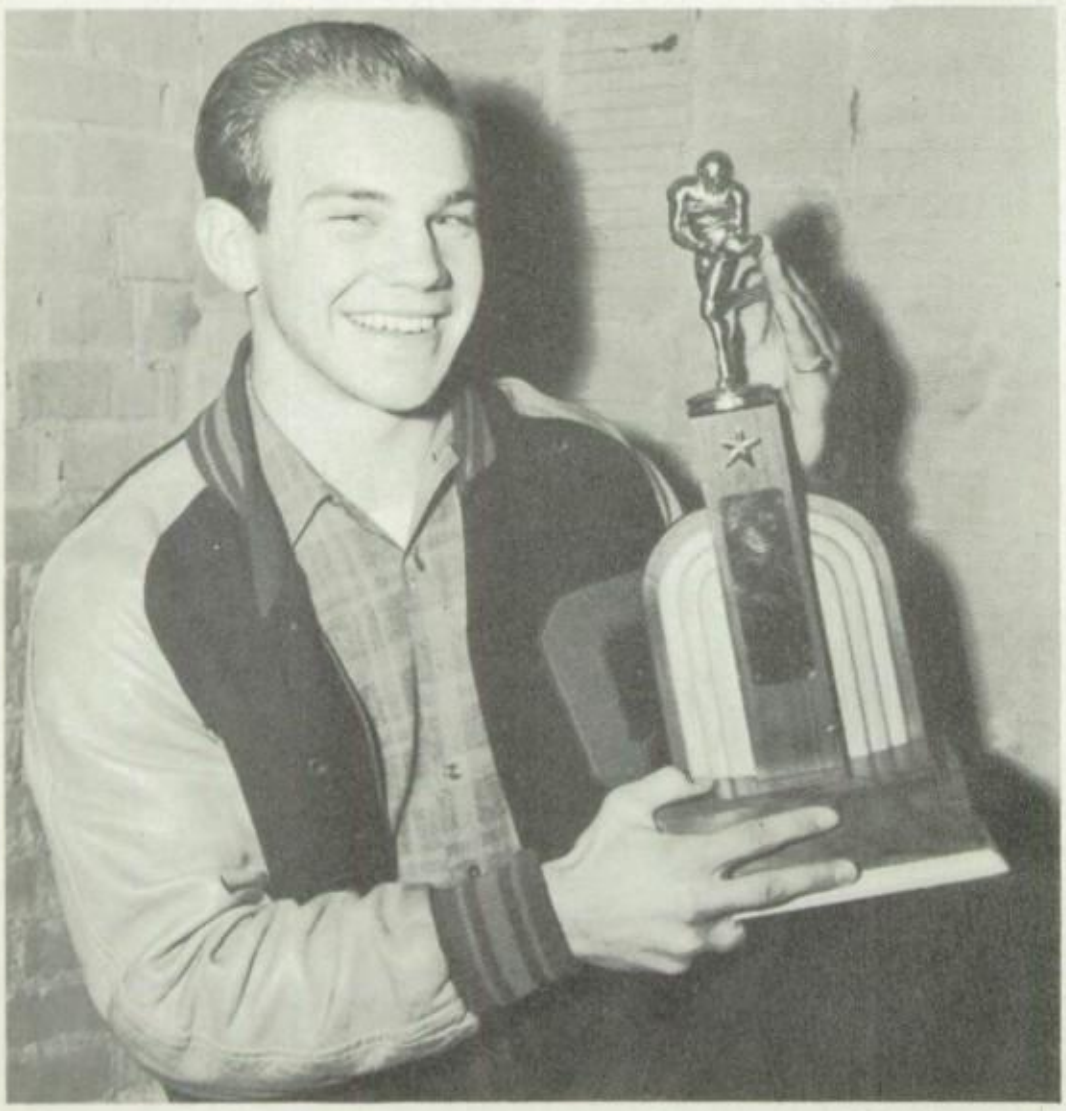
Good Luck in Tulsa, Boys!

Screams of "good-bye," "good-luck" and "hubba, hubba!" were almost deafening as the fellows shoved off for Tulsa. Woodie kissed everyone good-bye and everybody was keyed to the highest pitch of excitement.

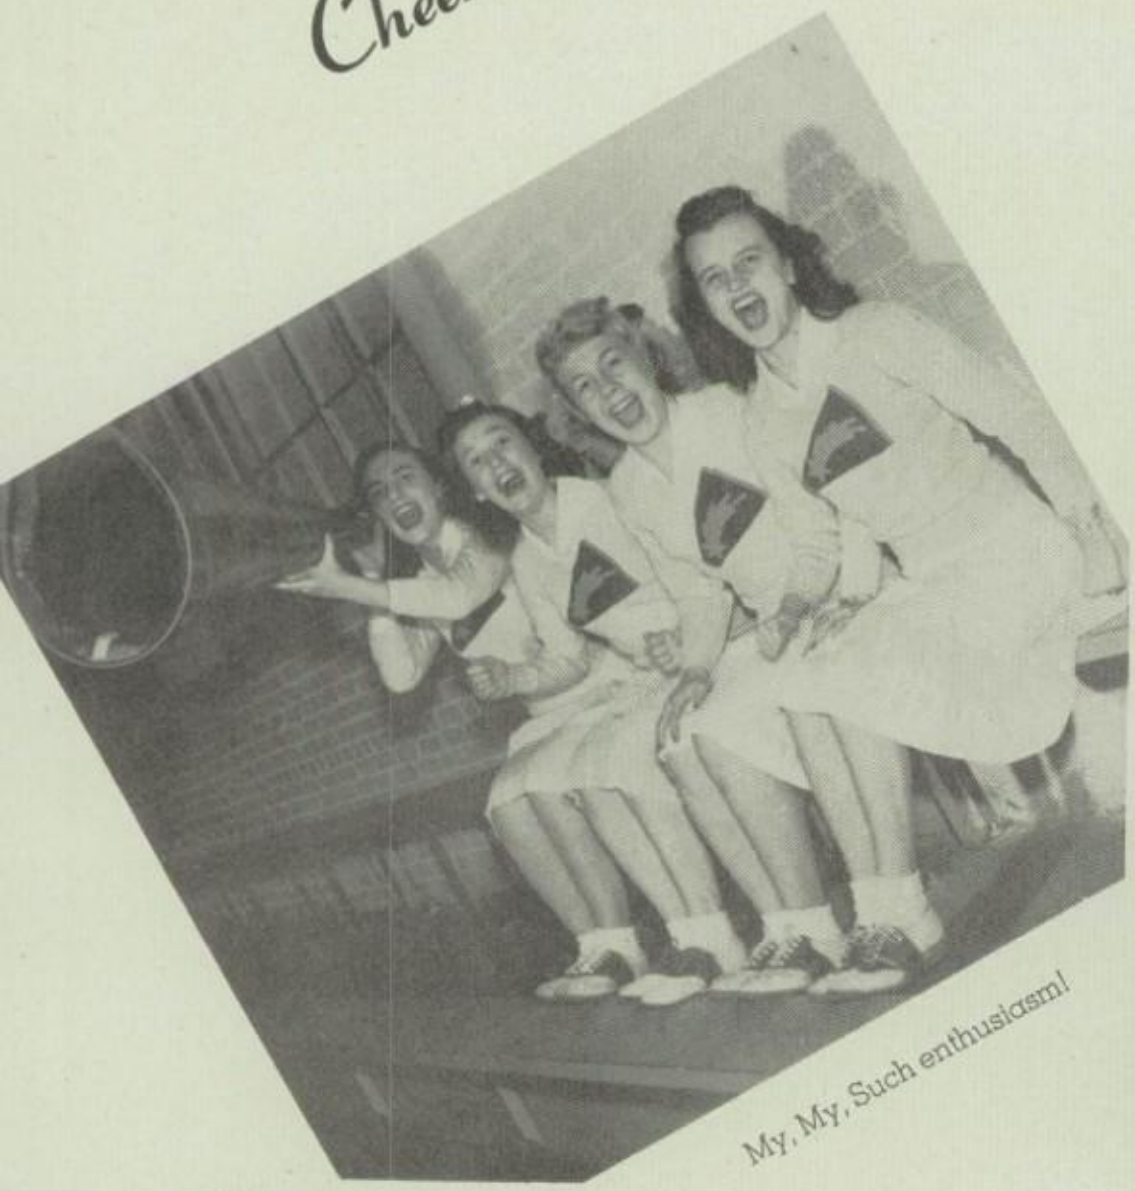
P. S. We Won!!

Biting the Dirt!



Yep, there it is! Can you blame Jim for that proud happy smile? The boys worked hard for that trophy and cheers went with the winning of it. So the '44-'45 football team adds one more honor to the many other honors received by Classen.

# Cheer Leaders



My, My, Such enthusiasm!

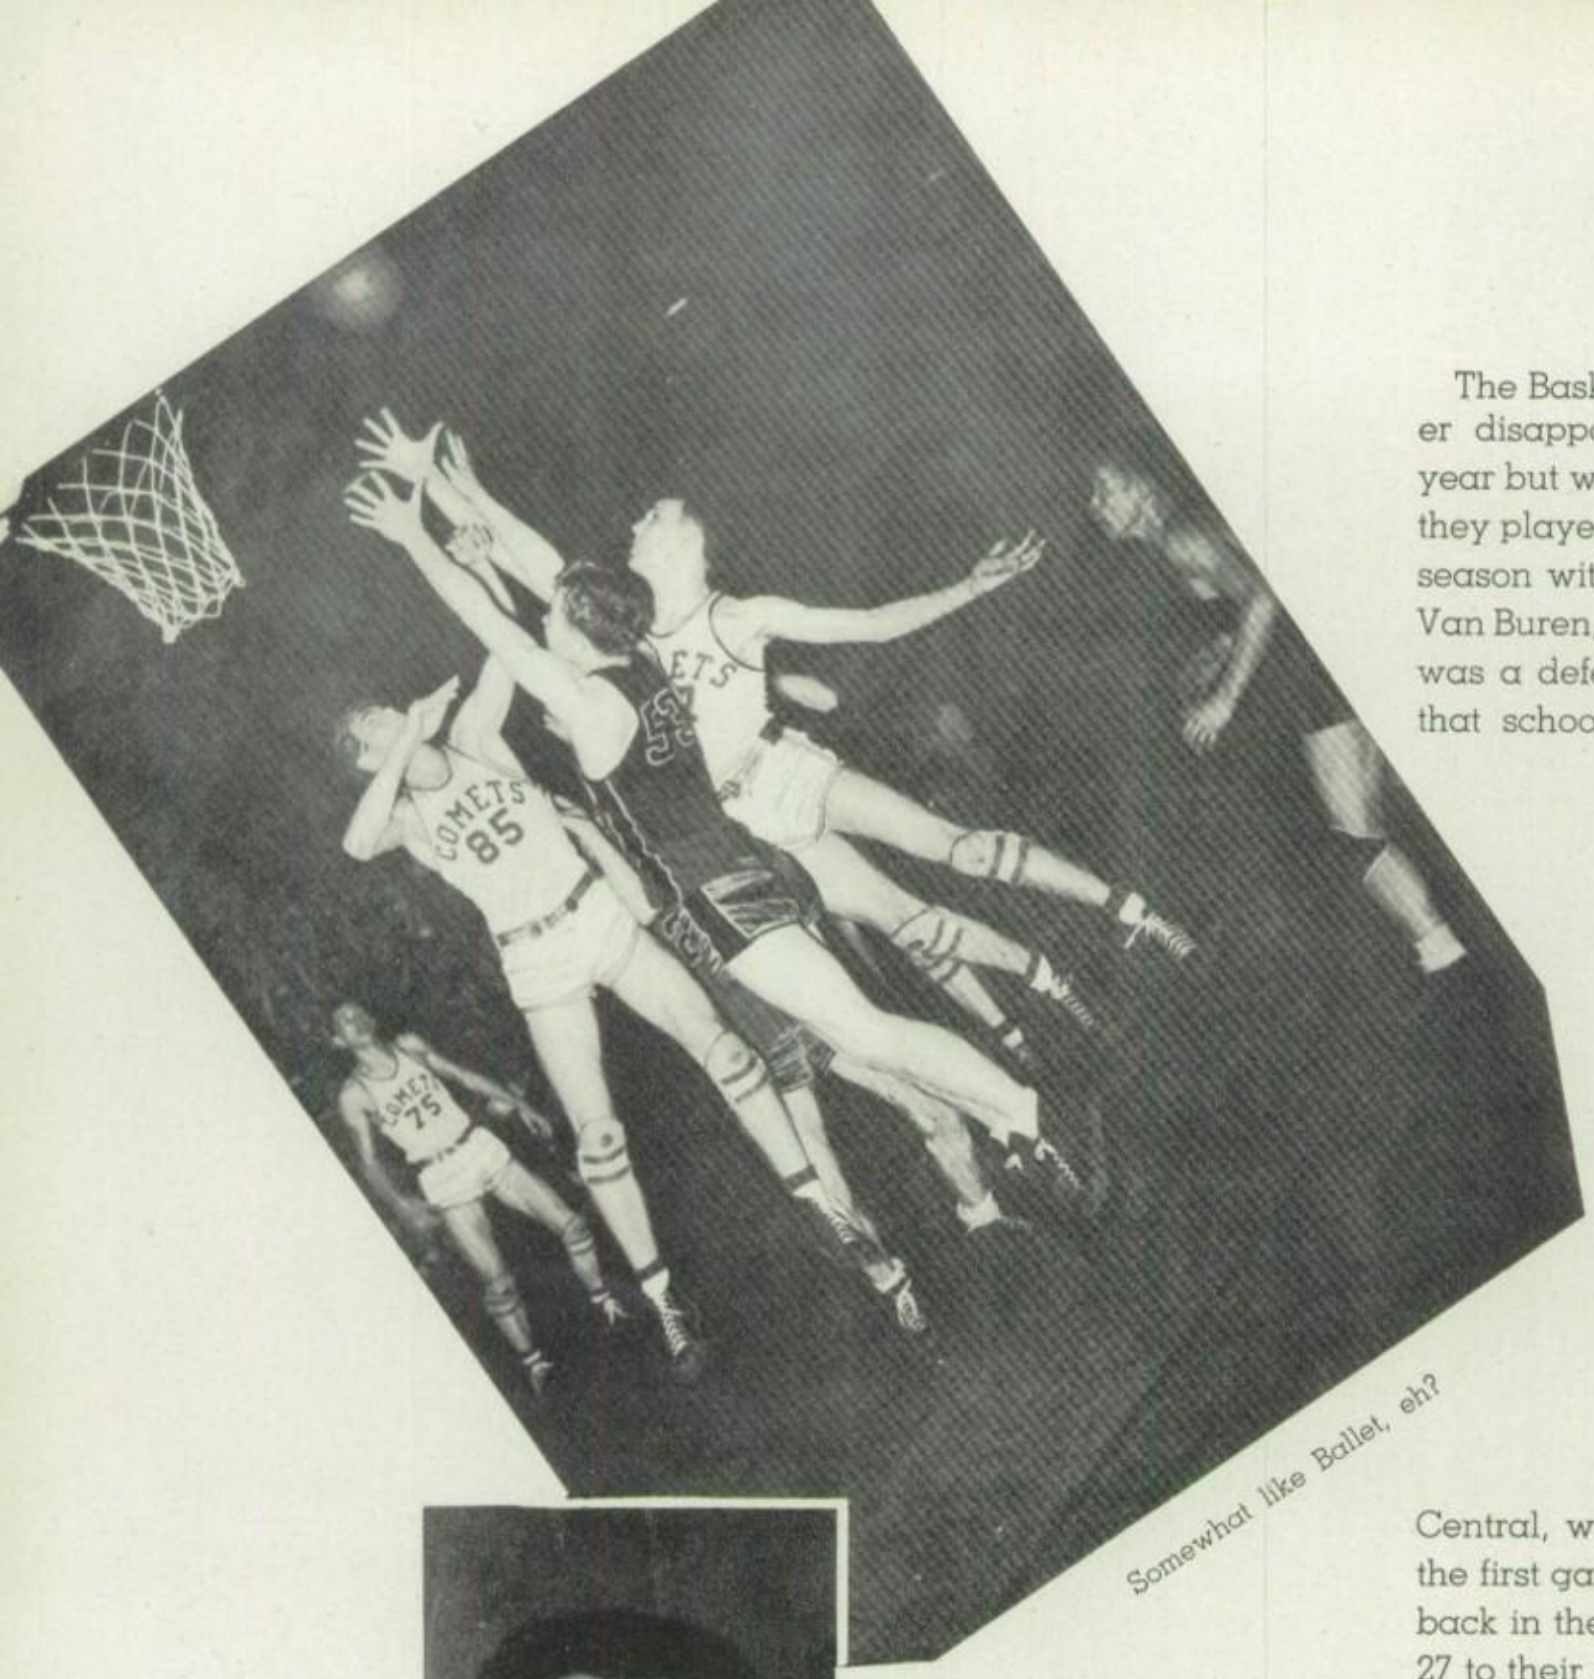
Sue (up in the air) some welcome!

Tom at his best!

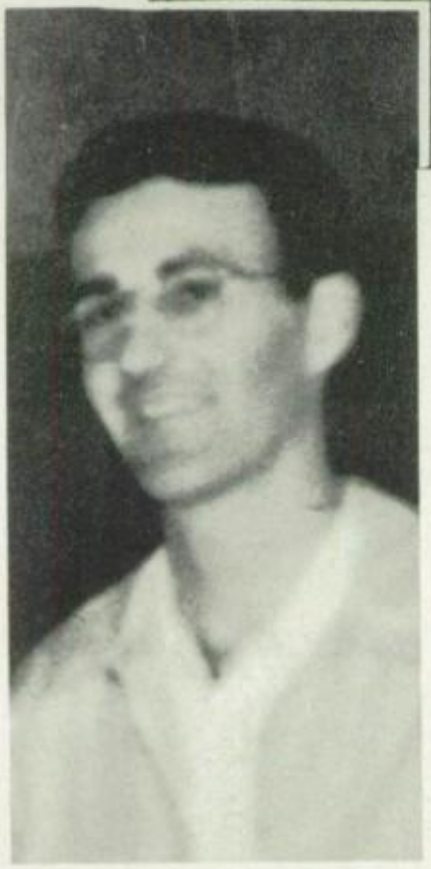
The cheerleaders did a bang up job of yelling this year and we'd like to give them a few words of praise. They kept our pep up at the basketball and football games.

Thanks: Sue, for the marvelous flips; Nicky, for your pep; Joan, for that lovable personality; and Jean, for cheering against doctors orders. To the fellows, just thanks, Tom and Bob.

# Basket



Somewhat like Ballet, eh?



Coach Carroll Smelser

The Basketball season was rather disappointing to Classen this year but we had a great team and they played hard. They started the season with a victory of 32-9 over Van Buren, Arkansas, but Ardmore was a defeat in both games with that school. The life-long rival, Central, walked over the team in the first game but we walked right back in the second with a score of 27 to their 24. They won over Enid and Capitol Hill, but Shawnee set them back in both games. They defeated Tulsa Central in the second game but she won over them in the first. Norman was a victory when the team played on the home court, but the Tigers defeated us when we played there. Northeast was easy bait both games and the fellows won over Tulsa Will Rogers when they played at "T" town.

Coach Smelser did a swell job of coaching the basketball team this season. Between packing to go to the army and unpacking when he didn't go—I don't see how he had time to do all he did for the boys. He had some swell material to work with though, and the fellows really hustled.

Thanks, coach, even if the season wasn't our best. We still know we had a swell team.

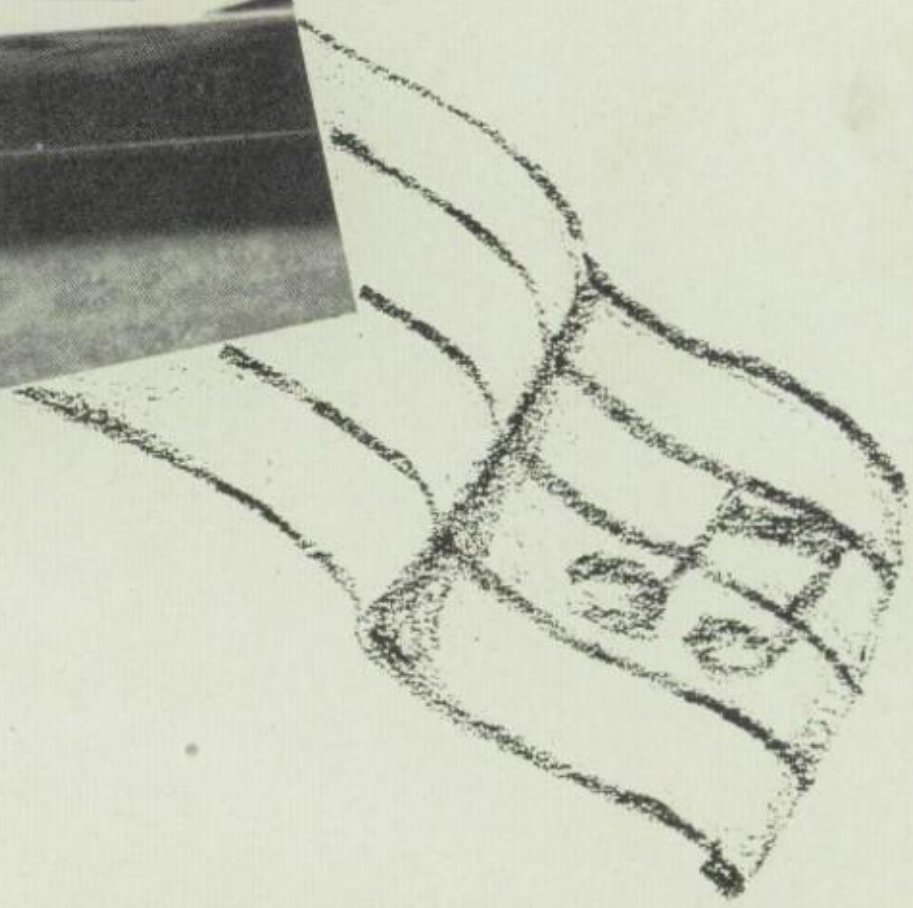
# SENIORS



# *Reply*

When Duty sounds the trumpet summons clear,
And o'er the earth free men and slave rise up,
While Mars in revel sips from Bacchus' cup
And glowering turns the olive branches sere;
Or Peace pleads mercy of great Zeus' store,
Her dove wings ever gently on her way
Of mercy, while the cynic's tongue doth flay
With hate and scorn his fellow men the more;
From whence comes hope for these—the bond, the free,
Who knows oppressor's heel or bigot's ban?
And who shall point the stars? Who staunch shall be
The bard who sings his faith in fellow man?
Through future ages—know this for the truth—
God's Love shall speak: His voice is dauntless Youth.

—Bob Robinson.

(Selected in Class Poem Competition, 1945)

# HONOR

The Classen Medals of Honor are the highest ranking awards given to Classen seniors. The girl and boy who give greatest promise of a worthy contribution to the world are chosen each year for this honor.

The Classen Awards are given each year to the five most outstanding girls and five most outstanding boys on a basis of scholarship, leadership and all round achievement. These awards are also provided by Mrs. Anton Classen, widow of the man for whom our school was named.

The entire Classen faculty selects the winners of the above awards from the ten girls and ten boys with the highest scholastic averages in the graduating class.

The Patterson Award is for outstanding achievement in Track Scholarship and Character. This award is donated by the class of 1930 in memory of Joseph Hester Patterson who went down with the submarine Squalus.

We, the undergraduates of Classen High School are truly indebted to those who have gone before us. Not only indebted for our fine school and the outstanding activities but for the school spirit and sportsmanship which have been instilled in us through them. Today, as our senior friends are going out into the world, we accept the torch of Classen, and realize that it is our duty to hold it high.

# Classen Hymn

Now for our school, O Lord, we pray;
Guide her and keep her day by day;
Give her Thy grace, and glorious power
'Mid loss or triumph of each hour.

We sing Thy praises, Lord, and ask
That Thou wilt help her in the task
Of bringing to Thy glorious end
Those that her honor shall defend.

—Bob Robinson.
